This course will provide early years educators with the confidence and musical tools to teach music effectively and with ease. We will develop your skill set using a variety of engaging techniques, so that you have a solid foundation on which to build a deep understanding to pass on to the children in your care.

Learn to use your voice effectively, revisit (or meet for the first time) the cornerstones of music education in a creative and active way through movement, play and song.

Course facilitator: **Helen Blackmore (DIT Conservatory of Music and Drama)**
